

## CHEMUNG VALLEY SOCCER ASSOCIATION HOUSE LEAGUE LAWS

The CVSA has established some special rules to govern the different age groups. Rules for the younger age groups are intended to provide more time with the ball and to create a learning atmosphere in which the basic skills can be developed and enhanced. As the players advance to the older age groups, competition becomes more important and the rules of the game are more strictly enforced. Any situation not covered by a special House League Law as stated in the enclosed, will be governed by the F.I.F.A. "Laws of the Game", with the approval of the C.V.S.A. Board of Directors.

Approved:  
March 2017

100 & 200 Teams

## GENERAL COMMENTS

- EVERY player *MUST PLAY 50% OF EVERY GAME*. In order to enforce this general rule, members of the CVSA Board of Directors will be attending games at random. Also, parents' complaints regarding this issue will be investigated and handled appropriately.
  - EXCEPTION: injury or sickness. The referee must be notified prior to the game, as well as the opposing coach.

If there is a violation of this or any of the CVSA rules, penalties could be:

- Warnings (if it was the first offense)
  - Removal of coach or player from the game
- 
- Coaches are encouraged to allow ALL PLAYERS equal playing time at all positions, including goal. This is a time for learning the game and HAVING FUN.
  - Parents should always be encouraged to display a spirit of GOOD SPORTSMANSHIP, FRIENDLINESS AND FAIR PLAY AS AN EXAMPLE TO THE CHILDREN. This includes REACTION TO COACHES, REFEREES AND ALL PLAYERS.
  - Referees should always try to foster a spirit of fair play and to enforce the rules in an educational manner, without harsh criticism or over zealousness.
  - Teams must sit on opposite sides of the field. Spectators and players should all be on the same side of "their" team. Home team gets the first choice with which side they will be on.
  - Player and coaches' game shirts are not to be altered in any way, such as adding the player's name, etc.
