CVSA COVID-19 Communication

On behalf of the CVSA I would like to thank everyone for their patience as we monitored this pandemic and the impact it would have. Unfortunately, CVSA board members have made the tough decision to cancel the spring soccer season in the best interest of the players, coaches, and spectators. After careful consideration of field use, summer vacations, and the availability of our coaches and refs we cannot push the season further into June or July. Spring registrations can be moved to the fall season, if anyone has any questions or concerns with this please contact your area representative by email:

Please be patient while we work through this, our responses may be delayed so please allow a few days for a response. Thank you for your patience.

We will get through this unfortunate circumstance and look forward to getting back on the fields once again. Our focus is always to ensure the safety and health of all players, coaches, and spectators. Thank you for your support and understanding during this time, please direct any questions or concerns to me at: President.cvsasoccer@gmail.com.

Thank you,

Ryan Mattoon,
